# ALLAN SCOTT GENERATIONS

These wines are a tribute to family tradition and a commitment to quality.

They are single-vineyard sourced and made from the best grapes grown on the Scott family's own estate. These elegant wines are the result of low-yield vines, meticulous viticulture and special attention in the cellar. Due to the exacting standards, these wines are only produced in limited quantities.

## 2017 Gewürztraminer

Think Ephesus beach, fragrant exotic spices, belly dancers in the warm sun and a cool breeze off the Mediterranean. Combine this with sweet middle eastern delicacies, candied figs and of course a beautiful lightly dusted Turkish Delight.

The nose packs all these things that make Gewürztraminer one of the most opulent of wines, but in an elegant purple-silk type of wrapping.

When the wine hits the palate, these flavours carry on with beautiful rose petals and tickly spice finish the mixes brilliantly with the luscious weight, all without the real over the top soapiness some new world G-whizz can have.
