

## ALLAN SCOTT MARLBOROUGH PINOT GRIS 2020

Marlborough Pinot Gris has grown strongly in popularity over the last few years, and has quickly become a staple in the Allan Scott Family Winemakers range.

### VITICULTURE

Harvest 2020 was unpredictable. Right at the start, we had the CV-19 lockdown introduced, so we had to adapt to the newest ways. Once all systems in place, we went out “all harvesters shaking” and picked all our fruit. In hindsight, after seeing what fruit came in, it has been a super harvest, maybe one of the better ones Marlborough has seen for the last 20 years. Great sunshine hours, low disease pressure, light crops, and ripe fruit, all come together to produce some outstanding fruit and in turn some great wines.

### WINEMAKING

This fruit was machine harvested to break up the grapes and to help with maximum extraction from the fruit. The juice was then cool fermented to retain fruit characters before being conditioned prior to bottling.

### DESCRIPTION

This Pinot Gris had a short spell of skin contact to enhance colour and flavour. With aromas of melon, citrus and stone fruit, this wine is highly drinkable now and will accompany a broad range of cuisine.

### SERVING SUGGESTION

Serve this wine as an aperitif with a platter of hard cheeses, with fish, or stone fruit desserts. Enjoy lightly chilled.
