

ALLAN SCOTT MARLBOROUGH PINOT GRIS 2022

Marlborough Pinot Gris has grown strongly in popularity over the last few years and has quickly become a staple in the Allan Scott Family Winemakers range.

VITICULTURE

Vintage 2022 was a very “new” normal growing and harvesting season for a lot of Marlborough vineyards. Having secured a team of talented cellar hands, the first fruit was met with a great deal of enthusiasm and excitement. A good flowering period, steady and at times very heavy rainfall throughout the season had us employ every bit of viticulture knowledge and finesse. It was crucial to be on top of our vineyard management programme.

Fortunately, we had the ability to call on years of collective experience of growing grapes and making wine across the country. Intricate terroir knowledge and almost daily fruit assessment kept our grapes growing to their full potential.

You can expect every bit of aroma and flavour you have grown to know and love Marlborough for.

WINEMAKING

This fruit was machine harvested to break up the grapes and to help with maximum extraction from the fruit. The juice was then cool fermented to retain fruit characters before being conditioned prior to bottling.

DESCRIPTION

This Pinot Gris had a short spell of skin contact to enhance colour and flavour. A delicately luscious wine with pear, apple and subtle floral and honeysuckle flavours. A smooth-textured wine that is flawlessly delicious on its own.

SERVING SUGGESTION

Serve this wine as an aperitif with a platter of hard cheeses, with fish, or stone fruit desserts. Enjoy lightly chilled.
