

ALLAN SCOTT NELSON ORGANIC SAUVIGNON BLANC 2019

An addition to the Allan Scott range for our wine lovers who prefer to choose organic. This delicious wine made from Nelson Sauvignon Blanc grapes complements the classic Estate range of Marlborough wines.

The Scott family loves Nelson and believes it is one of the most underrated wine regions in the world, always playing second fiddle to its big brother Marlborough.

VINIFICATION

The highly skilled and multinational team in the winery are proud to make this Nelson Organic Sauvignon Blanc. The grapes are machine harvested and transported to Marlborough immediately and pressed within two hours of picking. The juice is then fermented to dryness at cool temperatures with specifically selected yeasts.

DESCRIPTION

A lean elegant Sauvignon Blanc, delicate with a distinct herbaceous aroma. Notes of citrus, lemon sherbet and nettle are complemented with a pleasant minerality that contributes to the complex and structured palate.
